

EXCURSION TO THE COSTA BRAVA 6th to 9th MAY 2019

In 2019 we have planned the annual trip by coach to the Costa Brava. The date and the hotel are already fixed. We proceed to **L'Estartit** on the northern Costa Brava. There we stay for three nights in the **Hotel*** Santa Anna** in half - board (breakfast and dinner). Many people will remember the Costa Brava from the days when they passed through it on the motorway in their own cars. Being stuck in the traffic jams and not having the time to visit this most beautiful coast of Spain. Now is the time to do it and we offer you the following programme:

06.05.2019 We start at 07.30 hours from the Plaza Constitución in Peñíscola. We then proceed to **Sant Sadurní d'Anoia**, where we visit a Cava wine cellar. Then we continue by request of many people to **Sitges**, where we stay longer than last time and have the opportunity to visit the village. Perhaps we can have homemade black-forest cakes in the restaurant that we visited the last time. In the afternoon we continue to our final destination **L'Estartit**. The hotel, where we stay, has breakfast and dining rooms and it is situated very central but still in a quiet area. Further amenities include WIFI a bar and an outdoor swimming pool which perhaps may not be in use at this time of the year.

07.05.2019 After breakfast we go to **Girona** for a guided visit of the old town with its enormous cathedral. At noon there will be free time to eat and/or drink something. In the afternoon we visit two medieval villages, **Peratallada** and **Ullastret** in the wine-growing area of Baix Empordà, before we return to the hotel for dinner.

08.05.2019 After breakfast we proceed to **Figueras** where we visit the Dalí Museum. At noon we make our way to **Cadaques** in the natural park of Cap de Creus. Here we have enough time for a small lunch before we go by a tourist-train (trenet) via **Portlligat**, where we find the former house of Dalí, to the cap de Creus, the most eastern point of the Spanish mainland (duration 2 hours). In the late afternoon we return to the hotel for dinner.

09.05.2019 In the morning we have time to discover the village of **L'Estartit**. At noon we have a surprise group lunch in a country restaurant near **L'Estartit** courtesy of the association. Then we return to Peñíscola, where we arrive at around 08.30 pm.

The price for members is expected to be around 250 - 270 Euros each person in a double-room, for non-members around 270 - 290 Euros. The supplementary charge for a single room is 42 Euros each.
