End of season bustrip on the 21 June 2018

For many years the AACE has held a barbecue as the closing event of the season, mostly in the Ermita of Peñíscola. This year for several reasons the committee decided to have this event, at a restaurant combined with a one-day sightseeing-trip.

On June, 21st we meet at 8 o'clock at the bus station in Peñíscola (Plaza Constitución) and go by coach to MONT-ROIG DEL CAMP near Reus/Cambrils where we have the opportunity to have a coffee or a short visit of this beautiful village.

Thereafter we continue to the monastery-castle of ESCORNALBOU where we have a one-hour guided visit (see annex). There is a wonderful view overlooking the surrounding mountains.

After the visit we have lunch in a restaurant in the village of Riudecanyes. The lunch consists of various starters and a main course in barbecue style. (Vegetarians may order a special main course) Wine, water, desserts and coffee are included in the menu. The restaurant has a shaded terrace with nice view of the environment.

After lunch we visit a small Ermita near MONT-ROIG before we continue to "CAN MIRÓ" which was the country house of the artist JOAN MIRÓ. Today it offers a collection depicting the life and works of this artist. Every year Miró spent time here to recover from the stressful life in the big cities like Paris or New York. His stay in Mont-Roig had a great influence on his paintings.

After the visit we return to Peñíscola, arriving about 8pm.
